

Skills Festival

**We're excited to announce that
Cybersecurity Skills Festival is back!**

9am - 5pm, Tuesday 12 October 2021

Returning by popular demand, the second edition of our festival will be another opportunity to connect those looking for new opportunities in cyber with those offering them.

Best of all, it's FREE - for everyone

Attend the conference

The conference run throughout the day with top-quality presentations and panel sessions discussing training, development and planning your cyber career.

Find your next cybersecurity role

The jobs fair at the Cybersecurity Skills Festival will host 30+ organisations from all sectors and of all sizes, each hungry to find new talent.

Find talent to join your team

Host a stall – absolutely free – and connect with hundreds of the best and brightest across the UK.

> Register & find out more

**With thanks
to our supporters**
